NO WHERE TO HIDE

I like old houses!

I used that because I grew up in a house that was in disrepair. It was rumored that the house was built for 100 years but my grandmother that's almost 100 years old told me that when she was 20 something, she married into this house and at that time the house was already built. So, I'm not quite sure that the rumor is true.

In these types of houses, once you open the door ...

The ceiling above the ground has a swallow's nest. So whenever the breeding season arrives, our entrance door is always open.

Even though such a pleasant old house was rebuilt about 10 years ago and is not there anymore, whenever it's spring time, the swallows will still come back. They will be shocked to find that the nest is not there anymore and fly somewhere else. (I feel a bit sorry for them.) Every year, I would see these swallows come back and feel happy to see that.

Uwaaaaahhh!

SO SCARY...
WHAT KIND OF
FREAK WOULD
TART?

TO THINK THAT
I WOULD ACTUALLY

JUST THE
THOUGHT OF IT.
